Through the use of **Strategic Sourcing** and other **Supply Chain Management** techniques, the Company urgently provides needed spare parts for military aircraft and weapon systems as well as commercial aircraft worldwide. International Maintenance, Repair and Overhaul (MRO).

BC  
SOLUTION

## L. 185/90

L.185/90 Law defines a set of rules companies have to follow when exporting military equipment. Our software helps managing the whole process and reduces the possible mistakes that lead to expensive sanctions.

## Document management

Thanks to the partnership with Firedesktop, Bonetti Group is now marketing a software for on-screen reading and document archiving.

## IT Support

We provide hardware and software assistance for your needs. From web hosting and hardware maintenance to application development, just ask us and we'll find the right solution that best suits you.
